We will be very sad forto leave RVNS, he has had such a positive experience. He is however very ready for school, nursery has been excellent preparation. Thank you to everyone for all your hard work.

Reddish Vale is a fantastic nursery with so much on offer to stimulate young minds. has thrived during her time here and absolutely loves coming to nursery every day.

The nursery feels very busy and chaotic since the amount of students has increased. This is especially noticeable at drop off and pick up times and makes it more difficult to talk to staff about any concerns. The staff seem to be coping well with the increase and the Nursery remains fantastic.

We are so thankful for makingtime at nursery memorable, I can't thank you enough and can't recommend your nursery enough, all staff are fantastic and we will be sad to leave.

We have been very happy with all areas of RVNS and would recommend it to anyone without hesitation. We are so pleased we sent our child to this nursery.

Very impressed with the overall standards.

Brilliant nursery, both my children enjoyed this nursery. The teachers are very caring, which is always nice to know when you are leaving your child.

This is a wonderful nursery; everyone is very approachable and friendly. loves coming to nursery, so much so she gets upset when it is holidays or weekends. I would recommend the Nursery to anyone.

Both my children have attended this nursery and both my children have been with Berni. Both my children love nursery, enjoyed attending nursery and love and miss Berni. Thanks for everything you have done.

We have been extremely happy with the care and education thathas received over the past year. He is always happy to go to nursery and is full of excitement at the end of each day. You all do a fabulous job.

Staff very friendly and approachable. Great learning opportunities and resources.

Nursery always seems very organised and tidy.loves attending!

My daughter loves going to nursery and her confidence has really grown.

Everybody so friendly, loving and caring.

.....has fully enjoyed his time at RVNs.

We love the nursery! It is so bright, spacious and everyone is so friendly.talks about it all the time at home so that shows what a positive impact it has on her. It really is a wonderful place.

Outstanding nursery.

.....loves how all the teachers and support workers are different in their own way and support her with any aspect she requires help or understanding.

I have enjoyed the parent/key worker sessions and getting the chance to see the learning journals but maybe the option of being able to access these on line so that parents can see all the great activities being done and also contribute to the child's learning through out.
