

## Hayley's group

Hi everyone, I hope you're all enjoying having fun with your families and staying safe at home. I'm missing all your happy, smiling faces so I thought I would share some of the things I have been doing on the days that I've been at home with my family.

I have been getting lots of exercise walking Bella around my local area, I've found places I didn't know existed. How have you been exercising?

I have been having lots of fun in the garden with Lauren and Jack, we have played board games and planted some lovely flowers. What games have you been playing?

I hope to see you all again soon so we can have lots more fun singing our favourite songs and playing our favourite games. Maybe you could practise them with your family for when we get together again.

Here's a picture of Lauren and Bella in the local park with a lovely rainbow. Have you made a rainbow for your window?

Take care and  
stay safe  
Hayley
