

Mrs Noble's group

Hello to you all. I hope you are all having lots of fun with your families.

I wanted to share with you some of the things that I have done with my family.

I have missed seeing all your happy smiley faces, but when I sing our days of the week song it makes me smile.

Monday, Tuesday,

Wednesday boom, Thursday,
Friday o-o-o, Saturday, Sunday
tra-la-la, the days of the week go
cha-cha-cha.

If you can have a look on the nursery home learning page there are lots of amazing activities to do.

All the staff at nursery are missing you all.

Please stay safe everyone and keep smiling. I hope that we see you all very soon.

Missing you from

Mrs Noble

Lovely message from Karen

I hope you are starting to see lots of things grow in the gardens and the leaves on the trees. When I go on my daily walk I have been looking for the rainbows and teddies in peoples windows. This makes me smile and I feel very happy. Have you seen any yet?

I miss you all and our giggles.

Look after yourselves and your families from Karen.

This is William and Phoebe keeping fit, by doing exercises with Joe Wicks.

We have had lots of fun together doing this for 30 minutes Monday-Fridays.

Have you tried it yet?

Buster has enjoyed lots of walks down the Vale. Whilst me and Phoebe had fun jumping in muddy puddles.

Do you like doing that?

Phoebe and Freya wanted to chalk outside so we made our own obstacle course for us and for everyone who walked past. I saw lots of children and their parents/carers having lots of fun. They waved to us when they had finished and said "thankyou".

We were very happy that it was making everyone smile.

Phoebe drew a rainbow and wrote 'Stay safe'.

Have you made a rainbow for your window?
