

Hi to all of my big nursery children!

I hope you are happy and having a fun time at home. Just like you, all of the nursery teachers have to stay at home as well most days, so I know you might get a bit bored on some days and I'm sure you're missing nursery, but there's lots of fun activities that the teachers have been putting on the website for you to try!

Have you been out in your garden and made a bug hotel? Or you could do a mini beast hunt on your walk? Like you do at Nature school. I wonder if you have made pictures of rainbows for your windows, or been on a shape or colour hunt? You're all really good at that at nursery!

I wonder what other things you have been making and playing with your grownups, brothers and sisters... Have you remembered tidy up time when you've finished? Just like you do at nursery. I miss my big helpers!

I have been spending lots of time in my garden when it's been sunny with my dog Baxter. It's spring now so I've seen lots of bees and butterflies in the garden, have you seen any yet? Baxter chases them and tries to catch them!

I miss you all so much and hope I can see you again soon, but for now it's very important to listen to your grownups and stay at home to keep safe!

Mrs Moore
