

Hello to Mrs Kidd's group and all the nursery children!

I am missing you all while we are not together at nursery. I hope you are all keeping busy while you are at home. I have been doing lots of things like reading books and doing my jigsaw puzzle. It's got a lot of pieces. A thousand (1000) That's a very big number! Have you been doing puzzles? How many pieces did yours have? It's taking me a long time! I have been mixing and stirring while practicing my baking and made a cherry cake and some scones. I wonder if you have been helping to bake too?

I have had lots of time to play with my cat who is called Pippa. She likes chase anything that moves and purrs a lot when she has her tummy tickled.

We have to keep fit and healthy while at home so I have been exercising by going for a run. I can't run very fast and do get a bit out of breath! I wonder what you have been doing? Maybe playing football or bouncing on the trampoline, dancing or even exercising along to Joe Wickes like some of my family. I can't go to visit my family and some of them live in other countries. It's nearly Easter time so I have been decorating my Easter tree with coloured eggs. Maybe I could get Pippa to go on an Easter egg hunt in the garden. Do you think she could do that? I am missing Nature School and wonder what has happened to the frogspawn in the pond. Can you remember what was inside the frogspawn and what it changes into? Maybe you could draw a life-cycle picture to remind yourself. I hope you have a lovely Easter. Remember how to keep yourself safe while playing in the garden and remember to wash your hands. Keep busy and listen to your grown ups. I miss you and can't wait to see you soon!

From Mrs Kidd.
